

PROPOSED PROGRAM – COPPER COAST
34TH NATIONAL ANGLING CHAMPIONSHIPS AND CONVENTION
14TH MARCH 2015 - 26TH MARCH 2015

For those who went to the Copper Coast Carnival in 2009 much of the following will look familiar and so it should, for the organising committee have seen no reason to change the format that provided a successful carnival in 2009. Boundaries remain the same for the Rock & Beach and Offshore events, as do the bag limits. Times will be similar. There is now one sanctuary zone near Cape Elizabeth, but this should not be a problem. The Estuary this time will be at Port Broughton, 49 km by road north of Wallaroo. Port Broughton is one of the few places in South Australia that provides estuary conditions for fishing. Wallaroo now has a new community sports club that will give us more catering options for the presentation dinner than we had in 2009.

Headquarters

Wallaroo Football Club Rooms.
Cornish Terrace
Wallaroo

Rock & Beach Boundary

Southern point of Balgowan Rock Wall to the Moonta Bay Jetty and Point Hughes (Magazine Point concrete blocks) to Black Rocks Road turn off.

Fishing allowed from Jetties. Fishing at the Marina restricted to outside of the rock walls.

Estuary Boundary

The end channel markers of the Fisherman Bay and Port Broughton channels mark the boundary. There is no fishing seaward of these two markers. Launching can be from either the Port Broughton or Fisherman Bay ramps. Nominations will be at Port Broughton.

Offshore Boundary

Launch and retrieve at Port Hughes ramp only. Nominations at Port Hughes ramp area.

Casting Venue

Yorke Peninsula Field Days Site.
Paskeville.

Fish Sizes & Bag Limits

Australian Herring	18 cm	20 bag limit
Mullet	23 cm	20 bag limit
Garfish	23 cm	20 bag limit
Red Mullet	25 cm	20 bag limit
Leather Jackets	25 cm	20 bag limit

PIRSA bag and size limits will apply for other than above.

Fish not listed by PIRSA or covered above to have a collective bag limit of 20 and minimum length of 30 cm.
